

Hawsib is a local Palestinian company. We believe that by conducting ethical business we can help improve our society and achieve our company's goals at the same time.

Everyone at Hawsib commits to the following **Code of Ethics**:

- Always find new ways to help local businesses and organizations improve their presence on the Internet.
- Comply with all laws, rules and regulations.
- Keep honest and accurate records.
- Never accept a job that we do not feel confident that we will complete accurately and on-time.
- Always treat customers with respect.
- Never use inappropriate language with customers.
- Always leave the customer's place clean and neat.
- Never use settlements products.
- Use recycled products whenever possible.
